## BILL TO PROVIDE FOR FAMILIES OF PRISONERS

A charitable innovation on the part of the government may be the result of a bill introduced in the senate by Senator Baldwin yesterday. The problem which has been fought over in many states, that of providing support for destitute wives and children of prisoners is sought to be solved by this measure.

By its provisions the government would pay to every wife of a prisoner in the territory, who has been left without means of support, \$10 a month, and an additional sum of \$3 for each minor dependant child of the prisoner.

The bill was introduced after a hot discussion on Senator Rice's measure to increase the revenues of the territory by imposing a license tax on all foreign corporations doing business here, and as a result of the argument Senator Rice's bill was deferred until tomorrow.

## WIFE DESERTER TO BE PUNISHED

Deserters of wives or father who have left their children unprotected for will be guilty of a misdemeanor hereafter, the governor having signed the measure, which fixes a penalty for such offenses.

During the course of the governor's work he has now signed three senate bills, all of which relate to banking. The first one is the bank examiner bill, which creates the office of bank examiner to pass on the books of such institutions. The bills reached the governor in the same shape that it left the senate, the amendment made in the house having been withdrawn. The other two bills repeal existing statutes rendered unnecessary by the passage of S. B. 18.

**Pioneer Charged With Larceny.**  
Agreed on a charge of having stolen a suit of clothes and some money, C. W. Kelch, a sailor serving on the S. S. Nero, was apprehended Tuesday afternoon upon the complaint of the captain of the vessel. His case will be brought to the attention of the federal grand jury which meets tomorrow.

**Pioneer Slum**  
Pioneer fell off two and one-half points on the exchange today, going to 20.50. Olra has further declined a quarter-point, closing at 21.12-1/2. Hawaiian Commercial, Brewery and Pahang Rubber are unchanged. Many dribbling sales are recorded, the largest being 100 Olra at 2.25 in recess.

The Matson Navigation steamer Honolulu from San Francisco to the islands is steaming somewhat behind the regular schedule, bad weather being assigned as the cause of the delay. The Honolulu is expected to arrive here late Tuesday afternoon, with 2233 tons cargo for Honolulu, 252 tons aahului, 91 tons Kaaanapali and 43 tons for Port Allen. Cargo for the last two named ports will be transhipped at this port to island steamers. In a wireless received at Castle & Cooke no mention is made concerning the number of passengers expected to arrive in this vessel.

Representatives of coastwise lumber carriers are uncertain what effect the Panama canal will have on the lumber traffic between Portland and California ports. When that waterway has been thrown open it is contended that many of the vessels operating exclusively in the coastwise trade will ply between ports of the Pacific Northwest and the Atlantic seaboard, greatly reducing the number of available vessels for service on this side of the continent. But an uncertainty that such a condition will exist may prevent the building of many more coasters.

The Boy Scouts of Augusta, Ga., presented ex-President Taft with a gold knife.
